Commissioner for Patents

In the transmittal letter filed October 21, 2009, the applicant notes that the IDS filed November 3, 2004, and considered on March 13, 2006, does not appear to have citation AE initialed. However, citation AE was initialed in the correspondence from the office filed September 27, 2007. Another copy of the IDS filed November 3, 2004, with all citations initialed, is attached.
